INTERIOR DESIGN

Le monde possède déjà le rêve d'un temps dont il doit maintenant posséder la conscience pour le vivre réellement.

Guy Debord. "La société du spectacle"

The world already dreams of such a time. In order to actually live it, it only needs to become fully conscious of it.

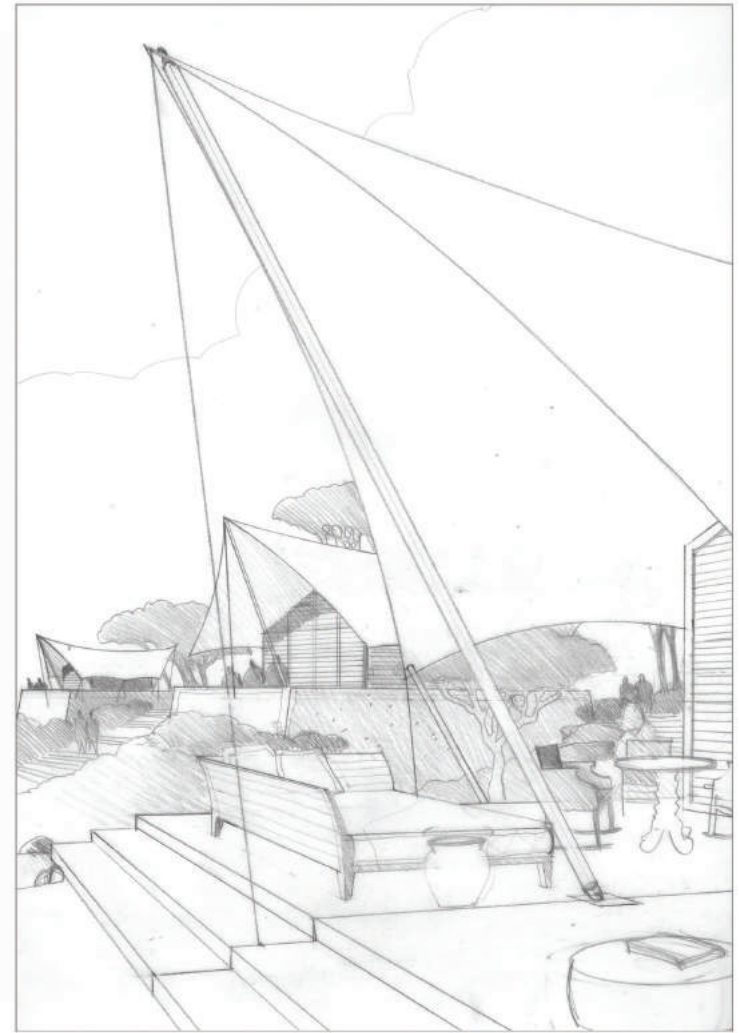

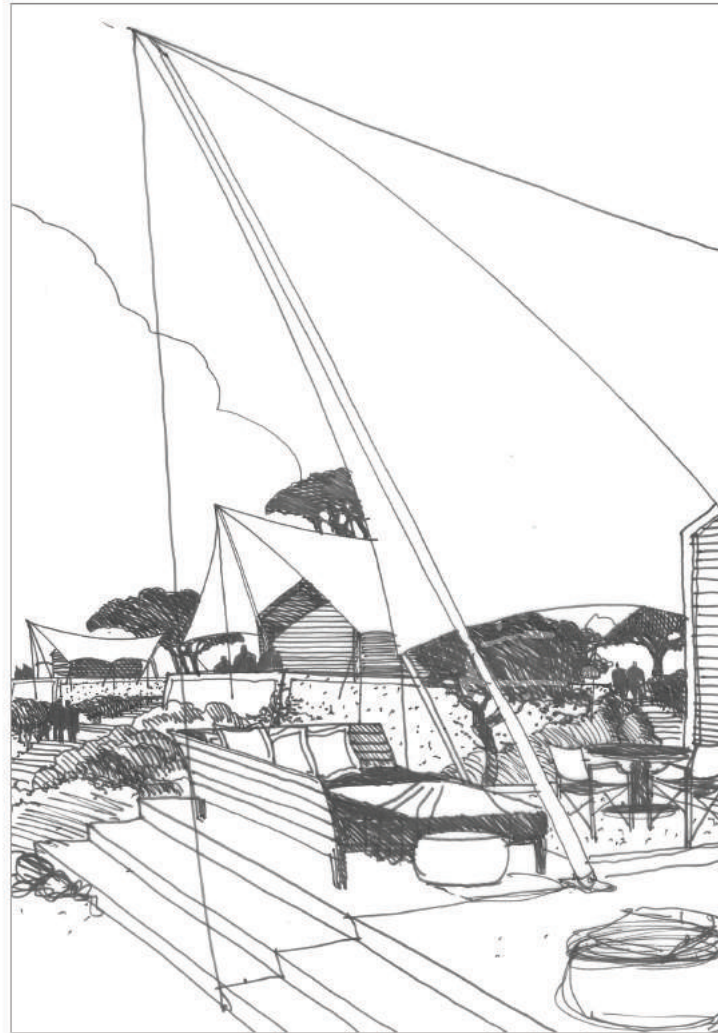

Guy Debord. "Society of the Spectacle"

Die Welt besitzt schon den Traum von einer Zeit, von der sie jetzt das Bewußtsein besitzen muß, um sie wirklich zu erleben.

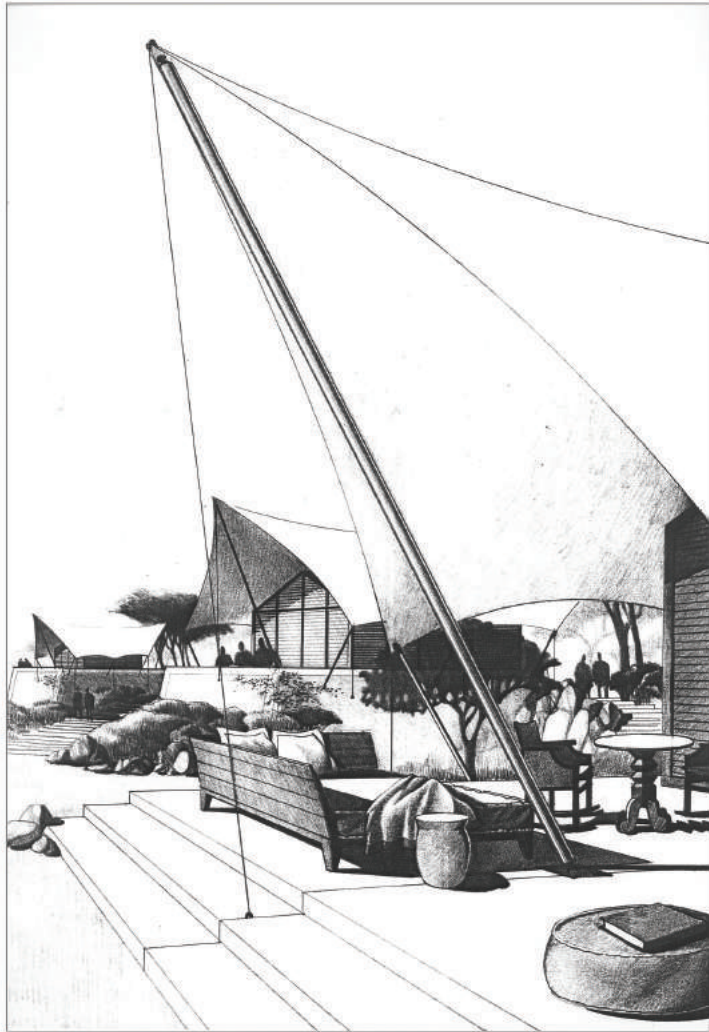

Guy Debord. "Die Gesellschaft des Spektakels"

El mundo posee ya el sueño de un tiempo del que ha de alcanzar ahora la conciencia, para vivirlo realmente.

Guy Debord. "La sociedad del espectáculo"
